

# INFORMATION SYSTEMS DEPARTMENT

## MISM ELECTIVE COURSE LIST

ALL INFORMATION IS SUBJECT TO CHANGE

---

### PLEASE READ—IMPORTANT INFORMATION

- Below is a list of most of the classes taught by the Marriott School that may be considered to satisfy the MISM elective requirements. Not all classes are offered in all semesters. **This list is subject to change.**
  - Courses not on this approved elective list may be considered to satisfy an elective requirement. A short memo to the Graduate Coordinator describing the class, its relevance to the degree, and requesting approval is required. The request should be sent by e-mail to [mismelectives@byu.edu](mailto:mismelectives@byu.edu) (an elective approval does not guarantee a spot in the course; it is your responsibility to get the proper permissions to register).
  - Course descriptions are found in the course catalogs on BYU's website. When selecting a class, be sure the prerequisites have been met.
  - NOTE: Registration of IS 599R or IS 693R (up to 3.0 credits) requires a contract and approval from the MISM advisor.
  - If you have any questions or need clarification, contact the MISM advisor in 792 TNRB, 801-422-5602, [mism@byu.edu](mailto:mism@byu.edu).
- 

### INFORMATION SYSTEMS

IS 515	F/W	Advanced Spreadsheets for Bus. Analysis
IS 520	F/W	Spreadsheet Automation
